

Sample email to Business Club members

Beautiful imagery helps support the short but personal message inviting club members to a Thanksgiving event.

Dear member,

At The Harbor Club, we enjoy creating memorable events with fabulous food for our members and their families. From New Year's Eve to Christmas, we help families celebrate the important days in the calendar. Now it's the fall and everyone at the club is preparing for one of our favorite events: The Thanksgiving Buffet at the Harbor Club Bellevue.

Our Executive Chef, David Thierry, has created a delicious buffet menu full of Thanksgiving favorites. All you have to do is turn up and enjoy it. There's no need to plan, shop, cook or clean up the kitchen afterwards because Harbor Club Manager Otto Sperka and his team will take care of your every need. And after the meal, they will even prepare a special "to go" serving of your favorite items for you to take home and enjoy later.

To make this an even more memorable occasion, I am pleased to offer **one complimentary Thanksgiving meal** to members who make reservations by November 10. So call now and plan on having a Thanksgiving meal your whole family will remember.

Please review the menu online at harborclub.org then call our special Thanksgiving reservations hotline at [\(425\) 732-5625](tel:4257325625) now to book your seats and take advantage of this special offer. But hurry, you must call by November 10.

Sincerely,

Tom Goodenow

Tom Goodenow
